

Al Wali Academy Uniform & Dress Code Policy

Our Philosophy

At Al Wali Academy, our dress code reflects the Islamic values of **modesty (ḥayā')**, **respect, dignity, and excellence**. Our uniform promotes a sense of unity, school pride, and equality while minimizing distractions and creating a focused learning environment.

We recognize that our youngest learners are active and developing independence. Therefore, our expectations for PreK and Kindergarten prioritize **comfort, safety, and age-appropriate modesty**, while encouraging students to take pride in their appearance.

We ask all families to partner with the school by ensuring students arrive each day dressed according to the school's uniform and dress code expectations.
